## Technology Planning Committee

---

The Technology Planning Steering Committee meets bi-monthly and is charged with on-going technology planning, revision, and implementation of the district technology plan. Committee members represent and report to administrators, teachers, support staff, parents and students in the district. In addition, the district technology team conducts surveys of community, parents, staff, and students and disseminates the details of the technology plan implementation through meetings, communications, and web sites.

The Committee includes:

- Director of Information Technologies
- Elementary and Secondary Instructional Technology Coordinators
- Media Specialists
- Building Technology Coordinators
- School Board Member
- Chief Academic Officer/ Assistant Superintendent
- Information Systems Administrator
