

## SPECIAL EDUCATION ADVISORY COUNCIL (SEAC)

GET INVOLVED

# Special Education Advisory Council Needs Parents/Guardians!

### *The Mission of SEAC is to:*

- **Represent** the interests of district learners with disabilities from birth through age 21.
- **Advise** the special education department on parent involvement, current issues, program development and department priorities.
- **Serve** as an advocate for high-quality special education programs.
- **To Promote** communication among family, school and community.

Eastern Carver County Schools Special Education Advisory Council (SEAC) is seeking and recruiting additional members. SEAC's role is to act as an advisory council to the district on behalf of students receiving special education services. Parents and guardians are critical advocates for all students and play a significant part in their future success. Come and learn more about district special education services and provide input into continuous improvement efforts! All meetings are open to the public and we encourage you to consider completing a membership application form found on the website.

**2017-2018 SEAC Meetings** will be held from 6:30-8:00 p.m.  
Location: District Education Center - 11 Peavey Road, Chaska  
Dates: October 17, January 9, March 6, and May 8
